

St Michaels Golf Club

Club Information Statement December 2025

Christmas and New Year

Wishing all our members a Merry Christmas and a Happy, Healthy, and Prosperous New Year!

Member Survey

Congratulations to David Barclay, whose name was randomly selected by computer to receive £30 credited to his EPOS card for taking part in the member survey.

Many thanks to everyone who participated. We will share the findings at the AGM.

Charity Golf Balls

Thanks to your generosity, the sale of charity golf balls raised **£1,497.06** for Breast Cancer UK.

Practising on Greens

It has been noted that some individuals have been practising chipping onto the course greens. Please refrain from doing this. The three-hole practice area is available for all short-game practice.

Pitch Marks

Please remember to repair your own pitch mark, and any others you may notice, when on the greens. Your care helps maintain the course for everyone.

Use of Mats

We encourage members to use mats during the winter period. The course is very busy - this is great! While this remains optional, winter mat usage helps protect the course during this busy usage, ensuring better playing conditions in the spring.

Van Parking

For health and safety reasons, we ask that large vans be parked in the overflow car park, not the main car park.

Nominations for Office Bearers and Council

Nomination forms have been posted on the notice board. New nominations are very welcome!

Gents Winter League

Please note there will be no Winter League competitions on Saturday 27th or Sunday 28th December.

Regular competitions will resume on Saturday/Sunday 3rd–4th January 2026.

A reminder that Winter League entry closes on Saturday/Sunday 10th–11th January 2026.

Burns Night - Save the Date

We are planning a Burns Night on Saturday, 24 January 2026, to raise funds for the club defibrillator. Further details will follow.

Cabaret Night

We are hoping to host a Cabaret Night in late February (date to be confirmed). Stay tuned for more information!
